Leviathan Update Meeting 2018 Agenda PRELIM DRAFT 2018 01 19.doc

Julie,

Attached are suggested revisions to the agenda for the Atlantic Richfield presentations. Our primary suggestions entail slight reorganization of the presentation separating activities by water treatment operations under the AOC versus RI/FS activities under the UAO, however, sticking with the same general content that you had outlined.

Please let me know if you have any questions.

Thanks,

Marc
